OPEN ENROLLMENT BENEFITS GUIDE

OCTOBER 29 - NOVEMBER 14, 2025

IVY TECH
COMMUNITY COLLEGE

BALANCING AFFORDABILITY, QUALITY AND SUSTAINABILITY

YOUR 2026 BENEFITS GUIDE

Ivy Tech is committed to providing benefits that balance affordability, quality, and long-term sustainability to offer meaningful coverage for you and your family.

The College is self-insured, meaning when a health plan member receives medical care or fills a prescription, the College pays the plan's share of those claims directly. The College will continue to cover the majority of healthcare premiums, contributing 88% of the total premium, well above the 80% national average. However, as the cost of healthcare rises, premiums must increase to keep pace. As a result, the College and employees will see increased costs. Premiums for all medical and dental plans will rise, and deductibles will increase for the consumer driven health plans (CDHPs).

Additionally, the College's Health Savings Account (HSA) contribution will equal 30% of your deductible for the CDHPs—half deposited at the beginning of the calendar year (January 9, 2026), and the remaining half distributed through bi-weekly payroll contributions.

Lastly, the preventive drug list will be updated to align with the Affordable Care Act-mandated preventive drugs. The revised list is available on the benefits website. Drugs removed from the list may still be covered but will be subject to deductible and coinsurance.

To offset costs, several enhancements are being made:

- **Working Spouse Rule Removal:** Spouses employed elsewhere may now enroll without restrictions.
- **Coinurance:** Lower rates mean plans cover a larger share of eligible costs once the deductible is met.
- **Rebate Sharing:** Manufacturer rebates will be applied at the time of purchase to lower your cost.

For questions, contact your local HR team or the Benefits Hub at statewide-benefitsleaves@ivytech.edu.

Thank you for all you do to advance Ivy Tech's success.

ELIGIBILITY, QUALIFYING LIFE EVENTS & BENEFITS GLOSSARY

What is Open Enrollment?

Open Enrollment is the one time each year when you can sign up for, renew, or make changes to your benefits, including medical coverage. It is the only period when you can adjust your coverage unless you have a big life change—like getting married, having a baby, or losing other insurance.

Who's Eligible for Benefits?

- Full-time administrative and support employees working an average of at least 32 hours per week
- Faculty working at least 80% FTE (Full-Time Equivalent), generally contracted on a nine-month basis for the Fall and Spring semesters, and offered a minimum of a 50% Summer contract
- New hires with benefits beginning on the date of hire

Can You Change Your Benefits After Enrolling?

You may select benefits or make changes when you first become eligible or during our annual Open Enrollment. Outside of that, you can only make changes throughout the year when you experience a qualifying life event, such as:

Birth or
adoption of
a child

Marriage or
divorce

Death

Loss of
coverage

Benefits Glossary

- **Coinsurance:** Your percentage of costs for covered services after you meet the deductible
- **Copayment:** Set rate you pay for prescriptions, doctor visits, and other types of care (PPO Plan only)
- **Deductible:** Amount you must pay for covered services before your insurance plan starts sharing the cost
 - **Embedded deductible (PPO Plan):** Individual deductible for each family member + total family deductible; plan shares costs after individual deductible met, even if family deductible is not yet met
 - **Non-embedded deductibles (CDHP 1 and CDHP 2):** Total family deductible; must be met before starts sharing costs for any individual member
- **Network benefits (in-network):** Providers who agree to an approved amount for their services (You will see these savings listed as the "Your Discounts" on your Explanation of Benefits statements.)
- **Non-network benefits (out-of-network):** Providers who are not in the network and have not agreed to discounted amounts (You will be responsible for paying the difference between the provider's full charge and your plan's approved amount. This is called balance billing.)
- **Out-of-pocket maximum:** The most you have to pay for covered services in a plan year; after this is met, eligible expenses covered at 100%
- **Preventive care:** Care (e.g., screenings, immunizations, and annual exams) that helps prevent illnesses or diseases; services paid at 100% when you use an in-network provider
- **Self-insured plan:** Ivy Tech pays the cost for covered medical and pharmaceutical expenses; Anthem (medical) and CVS/Caremark (pharmacy) process claims

WHAT'S CHANGING IN 2026

WORKING SPOUSE RULE

- The working spouse restriction has been removed.
- Spouses employed elsewhere may now enroll in medical and dental coverage without limitations.

HEALTH AND DENTAL PREMIUMS

- Premiums for all medical and dental plans will increase in 2026 to align with rising healthcare costs nationwide.
- Ivy Tech will continue covering about 88% of total premium costs—well above the national average of 80%.

See [pages 6 & 11](#)

CDHP PLAN ADJUSTMENTS

- Deductibles for both CDHP 1 and CDHP 2 are increasing.
- Coinsurance rates are decreasing, meaning the plans will pay a larger share of costs after the deductible is met.
- The PPO plan remains unchanged.

See [page 7](#)

PRESCRIPTION DRUG COVERAGE

- Preventive drugs covered at 100% will now follow the ACA-Mandated Preventive Drug List.
- Manufacturer rebates will now be applied when you purchase prescriptions at the pharmacy, helping reduce your out-of-pocket costs.

See [page 9](#)

HEALTH SAVINGS ACCOUNT (HSA)

- Contribution limits are increasing to \$4,400 for employee-only coverage and \$8,750 for family coverage.
- Ivy Tech's contribution equals 30% of the plan deductible for CDHP participants: 50% deposited in January and 50% distributed evenly through payroll during the year.

See [page 13](#)

FLEXIBLE SPENDING ACCOUNTS (FSA)

- The Dependent Care FSA contribution limit increased to \$7,500.
- The Healthcare FSA limit is \$3,400, with up to \$680 of unused funds rolling over to the next year.

See [page 14](#)

DISABILITY PREMIUMS

- Premiums for short-term and long-term disability insurance have decreased, reducing employee costs.

See [page 16](#)

WELLNESS PROGRAM ENHANCEMENT

- The BeLively wellness incentive program will move from the WellRight platform to Anthem Smart Rewards.
- This change simplifies access by integrating wellness tracking and gift card redemption within your Anthem account.
- Employees can still earn up to \$250 in annual wellness rewards.

See [page 22](#)

These updates reflect Ivy Tech's continued focus on balancing affordability, quality, and sustainability, while enhancing flexibility and value across all benefit programs.

HEALTH PLANS

COVERAGE FOR EVERY STAGE OF LIFE

[anthem.com](https://www.anthem.com)
833-571-0829

We understand how important quality health coverage is for you and your loved ones. That’s why we offer **three different health plans**, allowing you to select the option that best meets your family’s needs. Your well-being is our top priority, and we’re here to support you in making the right choice.

We offer **two CDHP, or Consumer Directed Health Plans**, and a **PPO, or Preferred Provider Organization**, plan. The main difference between CDHPs and PPOs is how you pay.

A CDHP has a lower premium, but you pay more upfront when you need care because you have a high deductible. A PPO, on the other hand, has a higher premium, but when you visit a doctor, you pay a smaller set fee, or copay, when you see a doctor, fill prescriptions, get labs, etc.

All three plans include:

- Access to the same Anthem provider network
- Free preventive care when using in-network providers
- Prescription drug coverage
- Optional health savings accounts

	CDHP 1	CDHP 2	PPO
Premium	\$	\$\$	\$\$\$
Deductible	Highest	Mid-range	Lowest
Out-of-Pocket Maximum	Highest, same as PPO	Lowest	Highest, same as CDHP 1
Optional Savings Accounts	Health Savings Account (HSA)	Health Savings Account (HSA)	Flexible Spending Account (FSA)

CDHPs VS. PPOs

HOW THEY WORK

Choosing a CDHP?

If you choose either CDHP 1 or CDHP 2, you'll have lower premiums but higher out-of-pocket expenses when you see providers or seek medical services. While an HSA contribution from Ivy Tech will help you manage your expenses, you may consider adding extra coverage—and financial assistance—with accident, hospital indemnity, and critical illness plans. See [pages 16-18](#) for more.

WHICH PLAN IS RIGHT FOR YOU?

When choosing a health plan, consider your maximum exposure—**the highest amount of money you might pay out of your pocket for covered healthcare services over the year**. This includes your annual premium and your out-of-pocket maximum. If you choose one of the CDHP options, you can also factor in the financial help you get with Ivy Tech's HSA contribution.

To calculate your maximum exposure, consider:

- **Premium:** Cost deducted from paycheck each pay period
- **Out-of-pocket maximum:** The most you'll pay in a year for services
- **Ivy Tech HSA contribution:** HSA funds to help pay for healthcare expenses (CDHP 1 and CDHP 2 only)

PRESCRIPTION COVERAGE

AFFORDABLE ACCESS TO THE MEDICATIONS YOU NEED

CVS Caremark will still manage our pharmacy benefits, but we're introducing a few changes for 2026.

NEW Cost-Savings Opportunity! If your prescription is expected to earn a rebate from the manufacturer, that amount will now be applied when you fill your prescription.

Also, preventive medications will continue to be covered at 100% but, in 2026, the preventive drug list will be updated to align with the ACA-Mandated Preventive Drug List. This list is available on the Ivy Tech Open Enrollment website.

caremark.com

866-246-7145

Fill your prescription at a local CVS Pharmacy, including those within Target stores, or any in-network pharmacy. **Pick it up or have it delivered straight to your home.**

To find an in-network pharmacy near you, visit the **pharmacy locator** on caremark.com or your Anthem Sydney app.

AccordantCare Specialty

Those with specialty medications fill their prescription with CVS Specialty and are eligible for the AccordantCare Specialty program. AccordantCare has experts in various health conditions and therapies, so they can provide personalized and detailed support, education, and care coordination.

Learn more at accordant.com.

CVS CAREMARK APP

Manage your family's prescriptions with the CVS Caremark app:

- Check order status and view your prescription history
- Check drug coverage and cost under your plan
- Find local pharmacies in your plan's network
- Refill and renew mail service prescriptions
- ID unknown pills with the pill identifier
- Check for potential drug interactions among medications

Part of being able to make good healthcare decisions is having the information you need when you need it. Anthem's **Sydney app** provides you with quick access at a moment's notice.

- **Find care:** Search for doctors, dentists, hospitals, labs, and other providers by name, location, and type of care. You can even filter by preferences, including gender and languages.
- **Check costs:** Verify estimated costs before you go.
- **Access your ID card:** Pull up your digital ID card when you visit a provider.
- **Chat with an Anthem rep:** Type your questions in the app and get answers quickly about benefits, health reminders, and money-saving tips.
- **Get an overview of your plan:** Access essential information at a glance, including your deductible, copay, and share of costs.
- **View claims:** Check claims with just one click.
- **Check health records:** Access your health data, including health history and electronic medical records.
- **Reap rewards:** Review and redeem your wellness rewards for gift cards, up to \$250 annually.

Download the **Sydney app** from Google Play or the App Store today and log in with your Anthem username and password.

LiveHealth Online

Receive basic medical care without ever leaving your home with Anthem's LiveHealth Online. You can:

- **See a board-certified doctor 24/7:** No appointment necessary. They're always available to assess your condition and send a prescription to your pharmacy of choice. Ideal for pink eye, colds, flu, fever, allergies, sinus infections, or another common health issue.
- **Visit a licensed therapist in four days or less:** Have a virtual visit with a therapist for anxiety, depression, grief, panic attacks, and more.
- **Consult a board-certified psychiatrist within two weeks:** Get medication support to help you manage a mental health condition (age 18 and older).

HEALTH SAVINGS ACCOUNT (HSA)

A SMART WAY TO SAVE FOR HEALTHCARE EXPENSES

If you choose one of our CDHP options, you can have a **Health Savings Account (HSA)**. An HSA is a special account that allows you to save money for medical expenses, such as doctor visits, prescriptions, dental and vision care, and other healthcare costs.

- **Tax-free advantages:** You contribute to your HSA with tax-free dollars, and you don't pay taxes on it if you spend the money on eligible healthcare expenses.
- **Always yours:** Money rolls over year to year and always belongs to you.
- **We contribute, too:** Ivy Tech makes an annual contribution amount—a one-time lump sum contribution in January—based on your coverage tier.

Annual Ivy Tech HSA Contribution

\$8,750 

CATCH-UP CONTRIBUTION FOR AGE 55+

\$1,000 

REMINDER: Both yours and Ivy Tech's contributions count toward the IRS maximum, so consider what you'll receive from the College as you determine how much to contribute.

If You Will Be Turning 65

Active employees turning 65 may either accept or decline enrollment in Medicare, including Medicare Part A. If you accept enrollment, **you are no longer eligible to make or receive HSA contributions.**

- Medicare Part(s) A, B, D and Medicare HMO premiums may be paid or reimbursed with HSA dollars. You cannot use your HSA to pay for Medigap premiums.
- If you elect Medicare at age 65, your maximum HSA contribution for the year you elect will be prorated by the number of months you were not enrolled in Medicare.
- Non-qualified distributions are taxable but no longer carry a 20% penalty after age 65.

FLEXIBLE SPENDING ACCOUNTS (FSA)

SAVE MORE, STRESS LESS

Flexible Spending Accounts (FSAs) are a great option to help you pay for healthcare expenses. You set aside money on a pre-tax basis through payroll deduction and can use the funds throughout the year to pay for eligible expenses. The type of FSA you can have depends on which health plan you choose.

	Healthcare FSA	Limited Purpose FSA
Type of Plan	PPO	CDHP
Eligible Expenses	Medical, dental, vision, and prescriptions	Dental and vision only
Who Funds Can Be Used For	You, your spouse, and anyone claimed as a dependent	
Carryover Limits	Up to \$680 rolls over at the end of the year; must file 2026 claims by May 31, 2027	

Dependent Care FSA

- A **Dependent Care FSA** is used to pay for dependent care services, such as preschool, summer day camp, before or after-school programs, and child or elder daycare.
- Use **pre-tax dollars** to pay for dependent child care (age 12 and younger) or adult care while you and your spouse work.
 - Pay for **day care facilities, day camps, after-school care, senior centers, private sitter** (not immediate family), and **elder care**.
 - **May 31, 2027:** Deadline to file 2026 claims.

BASIC LIFE AND AD&D

BECAUSE THEIR TOMORROW MATTERS

Planning for your family in the event of your death can feel overwhelming. Life insurance helps take the stress out of preparing for what’s next. We provide options for you, as well as your spouse and children.

- **Basic Life:** A lump-sum payment, known as a death benefit, to your beneficiaries upon the insured’s death. Benefits-eligible employees are automatically enrolled in this benefit, at no cost to you.
- **Basic Accidental Death & Dismemberment (AD&D):** Benefit that covers unintentional death or dismemberment of the insured, including loss of, or the loss of use of body parts or functions (e.g., limbs, speech, eyesight, or hearing).

Voluntary Life Insurance

This is a benefit you can purchase for **yourself, your spouse, or your children.**

- Premiums are based on your benefit choice and your age.
- If you are enrolling in a plan for the first time or increasing your current coverage, you will be required to complete an Evidence of Insurability (health verification) form.

	Benefit Amount
Employee Life	• Up to \$700,000 • Available in increments of \$10,000 • Guarantee issue: \$500,000
Spouse Life	\$10,000
Child(ren) Life	\$5,000

standard.com
888-937-4783

Full-time employees receive basic life and AD&D at one times your annual salary, up to \$500,000.

- Benefit rounded to the next \$1,000
- Coverage decreases incrementally beginning at age 70

SHORT-TERM & LONG-TERM DISABILITY

INCOME PROTECTION WHEN YOU NEED IT MOST

If illness or injury keeps you from working, disability insurance acts as a financial safety net. It safeguards your income, ensuring you can cover expenses and support your family. With both short-term (STD) and long-term (LTD) disability options, we're here to help you stay secure during challenging times.

standard.com

How It Works:

- Pays a cash payout if you have any of the covered accidents
- Can be used to help pay cost of care and any other expenses (child care, transportation, etc.)

Example:

Heidi's 12-year-old daughter suffered a concussion during a volleyball game. With an urgent care visit, x-rays, prescriptions, and follow-up visits, it doesn't take long for the bills to add up. Thanks to her accident insurance, she received \$550 to cover bills:

- \$450 for concussion
- \$100 for X-ray

CRITICAL ILLNESS

PEACE OF MIND DURING A DIFFICULT DIAGNOSIS

Critical illnesses can disrupt our lives in multiple ways: physically, emotionally, and financially. This insurance pays fixed cash benefits directly to you upon diagnosis of a covered critical illness after the coverage effective date. These benefits can help pay for out-of-pocket medical and non-medical expenses your medical insurance doesn't cover. You are able to choose the benefit amounts that best meet your needs and your budget.

You can cover yourself, your spouse, or children:

- **Employee:** \$10,000, \$20,000, or \$30,000
- **Spouse:** 100% of employee benefit
- **Children (Up to age 26):** 25% of employee benefit

Initial Critical Illness Benefit	Plan
Benefit Options	\$10,000, \$20,000, or \$30,000
Your Spouse	100% of employee benefit
Your Children (up to age 26)	25% of employee benefit
Heart Attack/Stroke/Major Organ Transplant/End-Stage Renal Failure	100% of benefit amount
Coronary Artery Disease Major/Minor	50%/10% of benefit amount
Cancer	100%
Skin Cancer	10%
Coma	100% of benefit amount
Loss of Sight	100% of benefit amount
Loss of Hearing	100% of benefit amount
Permanent Paralysis	100% of benefit amount
Dementia (including Alzheimer's disease)	100% of benefit amount
Parkinson's Disease	50% of benefit amount

Example:

Greg was with his wife when he started having difficulty speaking and couldn't see out of one eye. His wife immediately recognized he was having a stroke and called 911. Thanks to her fast action, he made a full recovery—but after a several-day hospital stay, occupational therapy, and follow-up doctor visits, the expenses were mounting. With critical illness coverage, he was able to pay most of his bills without dipping into his savings, because he received a lump sum benefit of \$30,000, which was the amount of coverage he elected.

HOSPITAL INDEMNITY

A SAFETY NET FOR YOUR HEALTH & FINANCES

Dealing with hospital bills after an inpatient stay can be stressful. Hospital indemnity insurance can ease your worries. Working alongside your health plan, it offers extra protection with a fixed daily benefit if you are admitted to the hospital, a critical care unit, or a rehabilitation facility.

Covered Benefits	Benefit
Hospital Admission	\$1,000
Critical Care Unit (CCU) Admission	\$1,000
TYPE OF FACILITY	
Hospital <i>Up to 10 days maximum per confinement</i>	\$100
Critical Care Unit <i>Up to 10 days maximum per confinement</i>	\$200
Rehabilitation Facility <i>Up to 10 days maximum per confinement</i>	\$50
Observation Unit <i>At least 4 consecutive hours but less than 20 consecutive hours; not payable for any day that a facility confinement or admission benefit is payable</i>	\$100

Example:

Michelle had complications from diabetes and ended up in the intensive care unit for two days, with an additional three days in the hospital. During that time, she was not only off work, but her spouse also took some time off. Because she had hospital indemnity insurance, she received the following:

- **Hospital admission:**
\$1,000
- **Critical care unit:**
\$400 (\$200x2)
- **Hospital:**
\$300 (\$100x3)

BELIVELY

YOUR PARTNER IN HEALTH AND WELLNESS

Introducing Anthem Smart Rewards

BeLively is Ivy Tech's comprehensive wellness program, encompassing financial education, healthy lifestyle initiatives, and stress management support. A key feature of BeLively is our wellness incentive, which rewards you for taking steps toward better health.

Beginning in 2026, we will transition from the WellRight incentive platform to Anthem's Smart Rewards incentive platform. This change enhances your experience by allowing you to track wellness activities, monitor your incentive progress, and redeem gift cards—all within your existing Anthem account.

All full-time employees have the opportunity to earn up to **\$250 in gift cards**.

- Earn points for completing healthy activities, such as your annual physical, eye, or dental exam, getting cancer screenings and vaccines, filling out your annual health assessment, tracking fitness and nutrition, and more.
- As you complete activities, you'll become eligible for a gift card.
- Simply log in to your Anthem.com account or use the Sydney Health app to see the activities, check your rewards status and request your gift card(s).
- Request your gift cards before year-end, as rewards do not roll over.

Together, BeLively and Anthem's Smart Rewards program make it easier than ever to stay motivated, celebrate your progress, and take an active role in your wellbeing.

HOW TO ENROLL

MAKE THE MOST OF YOUR BENEFIT OPTIONS

Full-Time Employees

Enrolling in your benefits is easy through the Workday system. Workday allows you to select your health, life, and disability benefits online. You can use the system during Open Enrollment or if you need to make a change to your benefits. Workday can be found in the quick links section of MyIvy.

Your share of the benefit costs will be deducted from your pay in equal amounts in the applicable pay periods in a program year. Ivy Tech does not prorate benefit deductions.

When Open Enrollment begins on October 29, you will see the “Open Enrollment” task assigned to you. Click this task to make your elections. Once you have submitted your benefit choices, the task will disappear; however, you can modify your selections any time before Open Enrollment ends on November 14. If you have already submitted your elections and need to make changes, use the edit benefit event button within the Benefits and Pay Hub in Workday.

Review and Update Retirement Elections

Our retirement plans are key ways we help support your financial future. As you decide about your other benefits, you should review your retirement plan contributions and consider a boost. And remember, if you’re 50 or older, you can also make an annual catch-up contribution of \$1,000.

To review your Ivy Tech retirement plans, visit the [Transamerica portal](#).

PERF participants can find information in the INPRS portal at in.gov/inprs.

Open Enrollment will take place between October 29 and November 14, 2025. All choices are effective January 1, 2026. If you do not make elections by the deadline, your 2025 benefits will roll over, except for your Flexible Spending Account.
