Subject: Thank you for applying to Ivy Tech

Hello %%FirstName%%,

Thank you for applying to Ivy Tech. Our records show you have already applied and been accepted as a student within the past 2 years, which means you do not need to complete the full application process again. Welcome back!

You can access your student data at myivy.ivytech.edu. As a reminder, your student ID number, also called your C-Number, is %%CNumber%%. Click the “First Time Here?” button to set up your account, or log in if you remember your credentials.

MyIvy is a great starting point for scheduling an appointment with your advisor, accessing your student email account, submitting a HelpDesk ticket, setting up a payment plan, and more. Make sure you stay up-to-date by regularly checking your MyIvy portal and student email.

If you're ready to register for classes, visit ivytech.edu/howtoenroll for instructions on how to get started. Or, contact your local [enrollment center](#) for step-by-step guidance.
