Employee Coverage Effective Date

To become insured, you must satisfy the eligibility requirements listed above, receive medical underwriting approval (if applicable), agree to pay premium, and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance.

If you are not actively at work on the day before the scheduled effective date of insurance including Dependents Life insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding these requirements that must be satisfied for your insurance to become effective.

Life Age Reductions

Under this plan, your coverage amount reduces by your age as follows: by 35 percent at age 70, and by 50 percent at age 75.

Life Insurance Exclusions

This plan contains an exclusion for death resulting from suicide or other intentionally self-inflicted injury. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death. This is subject to state variations.

Life Insurance Features and Benefits

Please see your human resources representative for additional information about the features and benefits below.

Waiver of Premium	If you become totally disabled while insured under this plan and under age 60, and complete a waiting period of 180 days, your Basic and Additional Life insurance may continue without premium payment until age 65 provided you give us satisfactory proof that you remain totally disabled.
Accelerated Benefit	If you become terminally ill, you may be eligible to receive up to 75 percent of your combined Basic and Additional Life benefit to a maximum of \$500,000.
Portability	If your insurance ends because your employment terminates, you may be eligible to buy portable group insurance coverage.
Conversion	If your insurance ends or reduces, you may be eligible to convert your life insurance to an individual life insurance policy without submitting proof of good health.

When Insurance Ends

Coverage ends automatically on the earliest of the following:

- The last date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (coverage may continue for limited periods under certain circumstances)
- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when insurance ends, contact your human resources representative.

Group Insurance Certificate

If coverage becomes effective, and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. Neither the information presented in this summary nor the certificate modifies the group policy or the insurance coverage in any way.
