PHOTOGRAPHS

Grad Images is the professional photographer taking photographs of the graduates as they walk across the stage. Another photo will be taken by Grad Images as a close-up shot with the graduate and their diploma. The photographer will also be available immediately after the ceremony for additional photographs. After the ceremony, the photographer will email proofs to the graduate. Proofs can be viewed online at www.gradimages.com.

WHAT SHOULD I WEAR?

The following are some suggestions:

Your shoes and neckline stand out from the gown, so compliment it with comfortable dress shoes, slacks, shirt, or blouse. A solid color dress, skirt or pant outfit also works well. Wearing a jacket under the gown is not recommended, as it could be too hot and bulky. Ties are optional. You will want to choose an outfit that especially makes the neckline of your gown look nice for pictures. SMILE!

Please press your gown. We will not have an iron on-site for this purpose. We will not have a secure place for items like purses during the ceremony; please, either don't bring one or give it to a family member or friend to hold for you during the ceremony.

WHERE WILL I PUT ON MY CAP AND GOWN?

Students will assemble in a designated location at the Event Center. There is no private dressing area other than the restrooms. Experience has proven that the restrooms will be crowded and busy. Tassels go on the right side of your cap. The cap should be adjusted as near to parallel with the ground as possible (like a plate or book on your head).

HOW WILL I KNOW WHERE TO LINE UP? HOW WILL MY NAME BE ANNOUNCED?

Upon arrival, students will proceed to a designated area in the Event Center. There will be a check-in table where you will receive a card with your name, degree, program, and your line-up order. Please review the information with the assistant at the table. If any of the information is incorrect, the assistant will prepare a new card for you. If the pronunciation of your name is unusual or difficult, please have the assistant write it phonetically on the card. YOU MUST KEEP THE CARD AND CARRY IT WITH YOU ONTO THE STAGE.

SPECIAL NEEDS

If you have special needs requests, please contact Brandon Wernert at bwernert@ivytech.edu for arrangements in advance of the ceremony.

HOW WILL I GET MY DIPLOMA?

At the appropriate time, ushers will direct the graduates to stand ONE ROW AT A TIME. Please do not carry your program on stage; you should carry only your name card to the stage. As you ascend the stage, you will hand your card to the individual at the corner of the stage, who will announce your name. You will proceed across the stage where the Chancellor will present you with a diploma cover. You will shake hands with the Chancellor and a photographer will take your picture with him. You will also shake hands with other members of the stage party. The photographer will take another photo of you then proceed back to your seat and remain standing until your entire row has returned. An usher will direct your entire row to be seated.

WHAT HAPPENS NEXT?

After all the graduates have returned and been seated, you will be directed to stand as a group for the official conferring of degrees. Then the Class of 2024 will be presented, at which time you will change your tassel from the right to the left side of your cap. After some closing remarks, the Chancellor will indicate that the ceremony has concluded. Music will begin, and the stage party will lead the graduates from the floor. A professional photographer will be available for additional photos.

WHAT ABOUT ACADEMIC HONOR CORDS?

Honor cords are awarded to graduates who have earned a cumulative GPA (grade point average), at the end of the Fall 23 semester, of 3.50 or higher. Honor cords will be distributed at the commencement ceremony. If you will not be attending the ceremony, honor cords will be in the Lawrenceburg Enrollment Center after May 13.

WHAT OTHER REGALIA CAN I WEAR?

Members of Phi Theta Kappa Honor Society may wear a stole and medallion. Purchase PTK regalia at ptk.org. Contact Ryan Russell rrussell149@ivytech.edu or Andrew Higginbotham ahigginbotham9@ivytech.edu for details.

DIPLOMAS

All diplomas are mailed to the address provided on the graduation application. December graduates should receive their diploma by mid-February. May graduates should receive their diplomas by mid-June. August graduates should receive their diplomas mid-September.
