Open Enrollment & Benefit Highlights

2024 Plan Year Details

The health and financial security of you and your family is important to us. Our benefit program provides a variety of plans that can enhance the lives of you and your family - both now and in the future. As an eligible employee, you will be asked to make decisions about the employee benefits described in this booklet. This guide provides information to enable you to effectively enroll in your benefits. Take time to read it carefully and use the available resources to ensure you make the decisions that are right for you and your family.

The Open Enrollment period is an opportunity for eligible employees to enroll in or make changes to your benefits for the upcoming year. This year, Open Enrollment will take place between October 25 - November 10, 2023. This is the only time during the year that you are eligible to make benefit plan changes unless you have a qualifying life event that allows you to change your benefits mid-year. Changes made during Open Enrollment will be effective January 1, 2024.

Passive Enrollment

This year's enrollment is a passive enrollment, meaning your elections will carry over to the 2024 calendar year even if no action is taken.

How to Enroll

Please see the benefits website linked here <u>https://www.ivytech.edu/hr/benefits/20581.html</u> for information on how to enroll.
