# IVY TECH COMMUNITY COLLEGE

## **VISION**

Ivy Tech students will earn 50,000 high-quality credentials each year aligned with the needs of Indiana's workforce and communities.

## **MISSION**

We are a diverse open-access college that fuels Indiana's economy through excellence in teaching and proactive engagement with industry and community partners, embedded in a culture of innovation that empowers all students to learn and succeed.

## **VALUES**

### **Empathy**

We stand with our students, partners, and communities.

### **Integrity**

We treat all with dignity and respect.

### **Accountability**

We deliver on our commitments.

### **Agility**

We innovate, iterate, and transform.

### **Connectivity**

We connect with partners to strengthen communities and ensure student success for all.

## **ACCREDITATION**

Ivy Tech Community College of Indiana is accredited by the Higher Learning Commission.

# CHANCELLOR'S WELCOME

On behalf of the faculty, staff, and administration of Ivy Tech Community College Lake County, it is my honor to welcome you to our commencement ceremony.

Today we gather to celebrate achievement, perseverance, and promise. Commencement is both an ending and a beginning. It marks the successful completion of an important chapter while opening the door to what comes next. Each graduate here has faced challenges, balanced responsibilities, and made sacrifices to reach this moment. You have earned the right to be proud of what you have accomplished.

Ivy Tech exists to expand opportunity, strengthen communities, and prepare individuals for meaningful lives and careers. Our graduates reflect that mission. You leave today with more than a credential. You leave with knowledge, skills, confidence, and momentum. Some of you will continue your education toward a bachelor's degree, and some will later pursue graduate degrees. Others will enter the workforce, advance in your careers, or serve your communities in new ways. Wherever your path leads, you carry forward the values and preparation you gained here.

To the families, friends, and supporters of our graduates, thank you. Your encouragement, patience, and belief mattered more than you may realize. This achievement belongs to you as well.

To our graduates, remember this moment. Remember what you are capable of accomplishing when you set a goal and commit to it. Ivy Tech believes in you, and we always will. We are proud to call you alumni and excited to see the impact you will make.

Congratulations to the Class of 2026!

**DR. JOHN GIPSON**  
CHANCELLOR, LAKE COUNTY CAMPUS

## RECESSIONAL

AMERICAN SIGN LANGUAGE INTERPRETATION PROVIDED BY  
KENNA KERCHER AND MEG BOEMMEL FROM COMMUNITY SERVICES FOR ALL DEAF

**STEVEN QUIROZ**  
**DISTINGUISHED ALUMNUS, CLASS OF 2018**

**Owner,**  
**CryoFREEZE Sports Recovery Center**

Steven is a married, father of two girls residing in Northwest Indiana-Crown Point. He is deeply involved in the fitness and athletic community as well as an advocate of natural healing. After a whirlwind of a childhood lived between Northwest Indiana and Las Vegas, Nevada - 2009 brought him back to Northwest Indiana, where he married his wife and had his girls.

He struggled to find his way; however, Jesus guided him on the straight and narrow in 2015. Not too long thereafter, in 2018, he was blessed with his degree from Ivy Tech. Steven's time there will be a collage of moments - bringing up memories of his professors, classmates, and fellowships...all a treasure. A desire to push his limits, to raise up others, to lead, to serve, is all due to Steven's time at Ivy Tech and the Lord who led him there.

When Steven did set roots in Crown Point after living in other parts of the Region in Northwest Indiana, on the other side of the COVID pandemic- in June 2025, God would once again make life fun and unexpected by providing the humbling experience of becoming a small business owner. He has since been the owner and operator of CryoFREEZE Sports Recovery Center in St. John, Indiana, managing a business and serving his community. Steven's passion is to see people made whole- physically, mentally, and spiritually. CryoFREEZE allows him to live out his passion through natural and effective therapies that heal the body, mind, and spirit. From young athletes to seasoned retirees, non-stop winning for everyone.

In his spare time, he enjoys spending time with family and catching a good sports game.

## ALEXIUS BARBER

### HONORARY DEGREE RECIPIENT

Alexius Barber has been a huge advocate for Ivy Tech and worked with a team of internal staff regarding the “Power your Future” project which encourages careers in the Energy field. She engaged the NIPSCO volunteers to work alongside Ivy Tech staff in providing education to the cohort group of Ivy Tech students.

Recently, alongside Ivy Tech staff, she has assisted with the spearheading of an upcoming train-the-trainer session for Ivy Tech employees. This session will equip staff with a foundational understanding of NIPSCO’s Energy Assistance Program, practical energy-saving strategies for the home, and guidance on utilizing the energy

hotline in the event of power outages. Upon completion of the training, Ivy Tech staff will serve as Energy Assistance Ambassadors, enabling them to effectively support and guide Ivy Tech students with energy-related resources and services.

Alexius manages public affairs and NIPSCO’s charitable giving efforts in Lake County, IN. She also works with local communities and economic development organizations to support new business investment and job creation in Northwest Indiana. Alexius has oversight for NIPSCO’s Leadership Board Service and Charity of Choice programs.

She is very passionate regarding stakeholder management and sees it as an opportunity to ensure a positive reputation for the company in addition to providing ease for the customer/stakeholder.

Prior to joining NIPSCO in April 2021, Alexius served as Vice President and Community Relationship Officer at Peoples Bank as the bank’s representative in building strategic partnerships and business relations. With over 20 years of Community and Economic Development experience in for profit and not-for-profit sectors, she has been involved in bringing over \$15 million in projects and tax credit investment to Northwest Indiana.

Prior to her banking career, Alexius was the Executive Director of United Neighborhoods Inc. which assisted potential homeowners in achieving the dream of purchasing their first home.

She also served as the Administrative Services Manager for the Hammond Development Corporation, an economic development organization, responsible for business investment and job creation in the downtown and surrounding areas. Alexius holds a Bachelor of Science degree in Organizational Leadership and Supervision from Indiana Institute of Technology and various certifications in Economic Development, Ecornell Diversity, Equity and Inclusion and housing. Also, awarded 2022 Northwest Indiana Influential Women – Economic Development/Government.

Alexius is married with two adult children and a granddaughter. She is a continuous learner and loves to organize volunteer events and read.

**MADÉLINE BINGE**  
**DISTINGUISHED GRADUATE**

Madeline “Maddie” Binge is a dedicated first-generation college student pursuing a degree in Respiratory Therapy. Throughout her academic journey, she has stood out as a positive and engaged representative of Ivy Tech Community College’s Lake County campus and its Respiratory Therapy program. Known for her supportive and encouraging nature, Maddie consistently motivates her peers to excel, offering effective study strategies, tutoring assistance, and guidance.

Her commitment to teamwork reflects her strong understanding of the interprofessional nature of healthcare. Maddie fosters a collaborative learning environment where students feel supported and empowered to succeed. In addition to her academic contributions, she has taken on leadership roles, serving as a mentor to incoming students and as the Public Relations representative for the Respiratory Care Club. Outside of the classroom, Maddie has given back to the community through volunteer programs, including Habitat for Humanity of Porter County, Food Bank of Northwest Indiana, and represented the Ivy Tech Community College, Lake County, Respiratory Therapy Program at Victory 4 Kids events.

Maddie has accepted a position at Franciscan Hospital in Crown Point, where she looks forward to beginning her professional career and hopes to work in pediatrics. With a passion for advancing her education, she aspires to become an Advanced Practice Respiratory Therapist (APRT), expanding her ability to provide specialized and high-quality patient care.

**MYKHAYLO “MIESHA” SEVERINOV**  
**DISTINGUISHED GRADUATE**

Community-focused and people driven, Miesha is honored for his achievement and integrity. Balancing work with academics, his engagement has been dedicated to giving back to his community and creating opportunities for others. As a student he has demonstrated strong leadership through his roles as a teaching assistant and club administrator organizing student engagements with Habitat for Humanity, Paladin of NWI, and others.

His goals are centered around bridging technology with humanity. Having worked on projects examining interventions in transportation insecurity and community-based emergency responses, he has been recognized with a Bud Ahearn Leadership Award by Notre Dame’s Civic Innovation Lab and a Societal Impact Award.

After graduation, Miesha plans to continue onto a four-year institution and pursue a bachelor’s in computer science. Between now and then he will spend his summer working to address seasonal wildfire exposure in Indiana K-12 schools through the installation and testing of low-cost air filtering systems.

## HISTORY OF COMMENCEMENT

The commencement ceremony is an ancient one, rich in tradition. The first commencement ceremonies were held by European universities in the Middle Ages. These ceremonies signified that the graduates were recognized by their professions and were ready to begin, or commence, teaching. Today, the ceremony formally recognizes academic achievement and officially confers on successful candidates the appropriate degree or certificate earned by satisfactory completion of a required course of study.

### MUSIC

For generations, Pomp and Circumstance has been played for the commencement procession. The audience stands during the procession, remains standing for the National Anthem, and stands again for the recession.

### CONDUCT OF GRADUATES AND AUDIENCE

A commencement ceremony is a formal and dignified occasion. Graduates and audience members are expected to conduct themselves in an appropriate manner. Cheers and applause for individual graduates should be held until all graduates have crossed the stage.

## REGALIA

### THE ACADEMIC GOWN

The academic costume worn in American college commencement exercises today goes back to the commencement ceremonies of the Middle Ages. The oldest universities of northern Europe grew out of church schools. Both faculty and students were regarded as a part of the clergy. Hence, they wore clerical garb borrowed from the monastic dress of their day, not merely on special occasions, but as their regular costume. The gown is derived from the medieval robe, borrowed from the habit of the Benedictine monks.

In the Middle Ages undergraduates, bachelors, and masters could be distinguished by the simplicity or the elaborateness of their gowns. This survives today in the cut of bachelor, master, and doctoral gowns and in the ornamentation found on doctoral gowns. The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer. For example, for nursing the color is peach, for business the color is brown and for engineering the color is blue.

Ivy Tech Community College associate degree and certificate candidates wear traditional black academic gowns. Wearing a corsage or jewelry on an academic gown is considered inappropriate. Instead, family and friends sometimes present a graduate with flowers or another small keepsake after the commencement ceremony.

## **THE HOOD**

The hood was originally a covering worn over the head in bad weather, and otherwise dropped onto the shoulders like the monk's cowl. At first the hood was worn by faculty and students alike. In the early 16th century, it was restricted to graduates. Thus the hood came to be the mark of a degree holder. Today each college has its own distinctively colored hood lining by which its graduates may be recognized in academic processions.

## **THE MORTARBOARD AND TASSEL**

The head covering evolved from the skullcap worn by medieval clergy in cold weather to protect their tonsured (shaven) heads. In the universities, this skullcap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree-holders of the European universities.

In the United States, the bonnet has been largely replaced by the cap with mortarboard, which still retains the tassel. The cap is worn so that the mortarboard is level. The tassel is allowed to hang naturally. Candidates for a degree or certificate wear the tassel over the right temple; once the diploma is conferred, the tassel is moved to the left temple.

As is tradition at Ivy Tech Community College, the color of the tassel differentiates the degree or certificate conferred. Associate degree candidates wear a green tassel, technical certificate candidates wear white, and gray is worn by certificate candidates. Phi Theta Kappa students will wear white or green tassels, which correspond to technical certificate and associate degree, respectively.

## **DEGREES AND CERTIFICATES**

The following seven degrees and certificates are awarded by the College to students who meet graduation requirements:

- Associate of Arts (AA)
- Associate of General Studies (AGS)
- Associate of Fine Arts (AFA)
- Associate of Science (AS)
- Associate of Applied Science (AAS)
- Technical Certificate (TC)
- Certificate (CT)

## **ACADEMIC & VETERANS HONORS**

Honors are determined by grade point average (GPA). Those with a cumulative GPA of 4.0 graduate Summa Cum Laude (highest honors). Those with a cumulative GPA of 3.75 to 3.99 graduate Magna Cum Laude (high honors) and those with a GPA of 3.5 to 3.74 graduate Cum Laude (with honors). Honors graduates of the College wear the gold honors cord draped over the neck.

Members of honor societies such as Phi Theta Kappa may also wear a wide, gold satin stole draped over the neck.

Red, white, and blue cords designate our veterans.

**IVY TECH**  
FOUNDATION

**CONGRATULATIONS FROM  
IVY TECH FOUNDATION**

Congratulations, graduates and families!

This is a time of celebration and change for our new alumni. Sponsoring student success is the primary mission of the Ivy Tech Foundation, which collaborates with donors to help the College change lives. Through charitable private support, the Foundation awards scholarships, purchases high-tech equipment and provides funding for innovative programming. You can be a part of changing lives, too! Your tax-deductible gift to the Ivy Tech Foundation can be directed to a particular program or purpose of your choice.

For more details, contact Cindy Hall at [cjhall@ivytech.edu](mailto:cjhall@ivytech.edu).

Again, congratulations!

## ABOUT IVY TECH

Ivy Tech Community College is Indiana's largest public postsecondary institution and the nation's largest singly accredited statewide community college system, accredited by the Higher Learning Commission. Ivy Tech has campuses throughout Indiana serving thousands of students annually online. It serves as the state's engine of workforce development, offering associate degrees, short-term certificate programs, industry certifications, and training that aligns to the needs of the community. The College provides seamless transfer to other colleges and universities in Indiana, as well as out of state, for a more affordable route to a Bachelor's degree.
