Syllabus Review

August 27th | 11:00 a.m. | HM1250

Got questions about your course syllabus? We will review the parts of a syllabus so that you know what is most important. Then there will be time for individual questions and one-on-one help.

Types of Assignments

Sept 10th | 11:00 a.m. | HM1250

Sept. 11th | 6:00 p.m. | HM1250

Do you know the difference between a discussion post and a journal? A research paper and a reflection paper? In this workshop, we will go over seven different types of assignments that are commonly assigned. After, we will look together at some examples and words to look for.
