A. EXECUTIVE SESSION MEMORANDA

Following notice under IC 5-14-1.5-4, IC 5-14-1.5-5 and IC 5-14-1.5-6.1(d)

The State Board of Trustees met in Executive Session on August 7, 2024, at 1:45 pm at 8204 County Road 311, Sellersburg, Indiana

Members present were Andrew Wilson, Chair; Kim Emmert O'Dell, Vice Chair; Michael Dora, Secretary; Jesse Brand; Jennie Dekker; Tanya Foutch, Marianne Glick; Gretchen Gutman; Paula Hughes-Schuh, Kyle Hupfer, Jeremy Lugbill, Stewart McMillan and Kerry Stemler.

The Trustees considered the following items as permitted under IC 5-14-1.5-6.1(b). For each subject, a reference to the applicable subdivision of IC 5-14-1.5-6.1(b) and a description of that subject are included.

- (2) (B) Initiation of litigation that is either pending or has been threatened specifically in writing.
- (5) To receive information about and interview prospective employees
- (7) For discussion of records classified as confidential by state or federal statute.
- (9) To discuss job performance evaluations of individual employees. This subdivision does not apply to a discussion of the salary, compensation, or benefits of employees during a budget process.

With the approval of these minutes, the Trustees present at the meeting certify that no subject matter was discussed in the executive session other than the subject matter specified in the public notice issued for this meeting.

B. NOTICES OF MEETING MAILED AND POSTED

Trustee Michael Dora, Secretary, confirmed that the notice of the regular meetings on August 8, 2024, was properly mailed and posted. The public was invited to attend the meetings that were open to the public.

C. APPROVAL OF BOARD MINUTES

Trustee Anker moved to approve the board meeting minutes from June 6, 2024. Trustee Dekker seconded the motion, which carried unanimously.

D. COMMITTEE REPORTS

Item 1: Chair Wilson called upon Trustee Gutman to give the **Audit Committee** report. Trustee Gutman reported there are no action items for consideration and board approval. The audit committee met and discussed reports to the confidential hotline and cybersecurity. The committee received a report from the Systems Office Fraud Taskforce. The committee also reviewed the following items: the final Internal Audit Department budget for the fiscal year 2024-25, the audit schedule for 2024-25, and the three-year audit plan and internal audit reports that had been issued since the last meeting.

Item 2: Chair Wilson called upon Trustee Emmert O'Dell to give the **Marketing & Public Affairs Committee** report. Trustee Emmert O'Dell reported there are no action items for consideration and board approval.

Vice President of Marketing Kathie Fleck reported on the Achieve Your Degree marketing efforts as well as the marketing outreach to increase the number of students completing the FAFSA. She also discussed the results of the overall marketing efforts for AY23/24, which included a 147% increase in applications at a 66% overall lower cost. In addition, during AY 23/24, nearly 87% of students who applied to Ivy Tech through direct marketing registered for classes. We believe these results indicate we are better refining our communication and outreach

approach with potential students. She also outlined the plans for this AY general marketing campaign, including plans to spend \$2.1 million over the academic year for new creative materials and ad purchasing. Finally, she described a new qualitative research project kicking off in September to understand the attitudes and perceptions of traditional college-age males about college, community college, and Ivy Tech. This research will help marketing better understand how to connect with these potential students.

Emily Sandberg, Assistant Vice President of Communications – Systems Office, provided an update on the public relations activities of the College.

The College has adopted a new tool called Muck Rack to enhance the effectiveness of our PR work across the state. The tool includes a comprehensive media database, outreach platform, and monitoring and reporting capabilities. The college is now in the process of onboarding campus communicators to the platform.

The College has used Muck Rack to analyze its PR results from FY 23-24 and findings regarding Ivy Tech's article volume, share of voice, and sentiment were briefed. These data will form a baseline by which the College will measure the efficacy of its work to enhance its brand and reputation via public relations. These metrics and others will be articulated in full in the College's strategic communications plan, which is in development.

Item 3: Chair Wilson called upon Trustee Dekker to give the **Workforce & Careers Committee** report. Trustee Dekker reported there were no action items for consideration and board approval.

Senior Vice President Dodge described statewide activities this summer designed to highlight the impact of our Career Link departments on campuses and increase career awareness activities related to emerging industries, semiconductors, EV batteries, and biotechnology.

Dodge then described the College's efforts to fully understand Ivy Tech's role in meeting the State of Indiana's need for upskilling/reskilling within the State's targeted industries. TEconomy partners estimate that meeting the workforce demand for job openings and reskilling will require generating over 82,000 credentialed learners per year over the coming decade. The systems office and Chancellors are partnering to reimagine the college's skills training business model to enable it to meet the estimated demand. Key recommendations include implementing seamless online self-pay and registration that is compliant with college policy, exploring regional centers of excellence to address key state growth opportunities, and a centralized cost center to absorb upfront overhead fees and manage headcount and revenue distribution across participating campuses. The skills training digital marketplace the College is envisioning under the planning grant from the Lilly Endowment would house skills training opportunities offered by Ivy Tech as well as partner organizations. The College will submit an implementation plan and grant request to the Lilly Endowment in October to support this skills training modernization effort.

Item 4: Chair Wilson called upon Trustee Dora to give the **Academics & Student Experience Committee** report. Trustee Dora reported there are no action items for consideration, and board approval.

Provost McCurdy updated the board about the college's enrollment and retention. Enrollment for the 2023-2024 academic year ended with over 198,100 students on a goal of 180,000 – an increase of 10.9% over the previous year. For 2024-2025, college enrollment is currently 78,466 students, which is 7% above the same point-in-time a year ago. Summer semester was incredibly successful, with an increase in course enrollments of 13% (total = 39,630 students) and an increase in FTE of 12.3%. For Fall, enrollment is currently running ahead of prior years, led by re-enrollment of continuing students. The Fall semester starts on August 19th.

Student retention continues to improve at the college, with an increase in Spring-to-Summer, and point-in-time improvements for Summer-to-Fall and Fall-to-Fall retention rates. In July, the college launched the IvyConnect Student Success and Support – a system that provides all staff and faculty with new data, tools, and outreach opportunities to support student advising, career coaching, and other retention efforts.

Provost McCurdy provided the board with an overview of the college's curriculum and course development. This process engages industry experts, subject-matter-expert faculty and staff at each of our 19 campuses, and professional instructional designers to deliver curriculum aligned to meet community needs. Ivy Tech has emphasized changes to become more agile and to ensure that changes are driven by workforce needs as well as course and program outcomes. New efforts include extending the development team to support skills training offerings and engagement with curriculum committees to increase recognition of credit-for-prior-learning.

Item 5: Chair Wilson called upon Trustee Brand to give the **Finance & Budget Affairs Committee** report. Trustee Brand reported there is one action item for consideration, and board approval.

Chief Financial Officer Dom Chase provided the fiscal year 2024 Budget update and banking modernization, stating that check scanners and SmartSafes were installed at campus locations between April and June. This change improves business office efficiency, reduces risk, and reduces costs.

Matt Etchison, Sr. Vice President and Chief Information Officer, and Dr. Kathie Fleck, Vice President of Marketing and Communications presented the recommendation for the College to approve a contract for the renewal of its Salesforce Marketing Cloud licenses to begin on September 25, 2024, for three (3) years to run through September 24, 2027, for a total amount of \$1,857,384.

Trustee Brand moved for the approval of **Resolution 2024-22**, Approval of Salesforce Marketing Cloud Renewal Contract, Systems Office. Trustee Emmert O'Dell seconded the motion. The motion carried unanimously.

Foundation President Courtney Roberts provided the fiscal year 2024 Summary and Comparison, reaching 95% of their statewide FY24 Goal. She spotlighted Sellersburg and provided a little background on Campaign ideation and planning.

Item 6: Chair Wilson called upon Trustee Stemler to give the **Building, Grounds & Capital Committee Report**. Trustee Stemler reported there are six action items for consideration and board approval.

Trustee Stemler moved for approval of **Resolution 2024-23, Approval of Contract for Roof Replacement, Fort Wayne Campus**. Trustee Gutman seconded the motion. The motion carried unanimously.

Trustee Stemler moved for approval of **Resolution 2024-31, Approval to Grant an Easement Extension to Bex Farms, INC. for Drainage, Fort Wayne Campus**. Trustee Gutman seconded the motion. The motion carried unanimously.

Trustee Stemler moved for approval of **Resolution 2024-24, Approval of Contract for Roof Replacement, Terre Haute Campus**. Trustee Gutman seconded the motion. The motion carried unanimously.

Trustee Emmert O'Dell moved for approval of **Resolution 2024-25, Approval to Sell Property to Baptist Healthcare System, INC., Sellersburg Campus**. Trustee Gutman seconded the motion. Trustee Stemler abstained from voting. The motion carried unanimously.

Trustee Stemler moved for approval of **Resolution 2024-26, Approval of Anderson Lease Agreement with Amplify Hancock County**. Trustee Gutman seconded the motion. The motion carried unanimously.

Trustee Stemler moved for approval of **Resolution 2024-27, Approval of the Ivy Tech Community College of Indiana Legislative Request for Capital Funds for the 2025-2027 Biennium**. Trustee Gutman seconded the motion. The motion carried unanimously.

E. TREASURER'S REPORT

Chair Wilson called Dom Chase, CFO, and Treasurer, to provide the Treasurer's Report.

Dom Chase reported report that we concluded the fiscal year in a strong financial position. This outcome is a testament to our diligent financial oversight, effective cost management, and strategic initiatives aimed at enhancing enrollment and retention rates. Our commitment to maintaining fiscal discipline has enabled us to manage our operating expenditures efficiently while exceeding our revenue targets.

We look forward to sharing more detailed information about our official financial statements at the conclusion of the annual audit, which is expected to be completed in October. This audit will provide a comprehensive review of our financial activities and confirm the strength of our fiscal practices.

In conclusion, Ivy Tech Community College remains in a robust financial state. Our strategic initiatives, coupled with strong fiscal oversight and execution, continue to drive our success. We

are dedicated to maintaining this momentum and ensuring the financial health of our institution to support our mission of providing accessible and affordable education.

We appreciate the ongoing support from the Board and the State of Indiana, which has been instrumental in our achievements. We remain committed to closely monitoring our financial performance and adapting our strategies to sustain our financial health.

Trustee Brand moved to approve the Treasurer's Report. Trustee Gutman seconded the motion. The motion carried unanimously.

E. STATE OF THE COLLEGE

Chair Wilson noted that President Ellspermann provided her State of the College report during the morning committee meetings.

President Ellspermann invited Kirstin Ward, ASN Class of 2010 and Dr. Lacie Couzin, ASN Class of 2003 up for alumni spotlight to share their story.

President Ellspermann shared that all 19 campuses will offer Free Summer Courses for Hoosier High Schoolers.

President Ellspermann shared that HLC approves Pell-Eligible Prison Education Programs, noted that Ivy Tech becomes Gen Ed Partner of the Community College of the Air Force, Ivy Tech leads nation in FAAC Certified Financial aid administrators, state awards Ivy Tech nearly \$1M for Career Coaching, Ivy Tech keynotes network for Change & Continuous Innovation Annual Conference (NCCI is a membership association for higher education continuous improvement professionals including IU, Notre Dame and Purdue) and Ivy Tech becomes an AchieveWELL organization, AchieveWELL organizations have a demonstrated commitment to sustaining their workplace wellness initiatives and are considered among the "healthiest" workplaces in Indiana.

President Ellspermann spotlighted Ivy+ Career Link. We continue our summer of career development by highlighting the work of our Ivy+ Career Link team to connect career-ready students and employers. Our Career Link team brings answers to the marketplace by providing opportunities for employers to connect with Ivy Tech students and opportunities to upskill their incumbent workforce. Also spotlighting the School of Information Technology. Throughout the month of September, we will highlight the school's innovative programs and offerings, including a new series of Prompt Engineering Workshops. Given the current surge in interest surrounding Generative AI and tools like ChatGPT, the Workshops offer an engaging and valuable learning experience for people and organizations eager to stay ahead of the technological curve. We recently concluded the 2-day workshop at the Hamilton County and Evansville campuses. Other

campuses plan to launch the workshop in the Fall and use it as a feeder for Intro to AI courses from Career Link and Ivy+ IT Academy.

F. OLD BUSINESS

Chair Wilson called for old business, but there was none.

G. NEW BUSINESS

Chair Wilson called for new business.

Trustee Dekker moved to approve **Resolution 2024-28, Approval of Campus Board of Trustees**. Trustee Gutman seconded the motion. The motion carried unanimously.

Trustee Dora moved for approval of **Resolution 2024-29, Establishment of a Search Committee for the Next President of Ivy Tech Community College of Indiana**. Trustee McMillan seconded the motion. Trustee Anker abstained. The motion carried unanimously.

Trustee Brand moved for approval of **Resolution 2024-30, Election of Officers for the State Board of Trustees**. Trustee Stemler seconded the motion. The motion carried unanimously.

H. ADJOURNMENT

With no further business to come before the Board, Chair Wilson adjourned the meeting.

Microcredentials

Why Microcredentials?

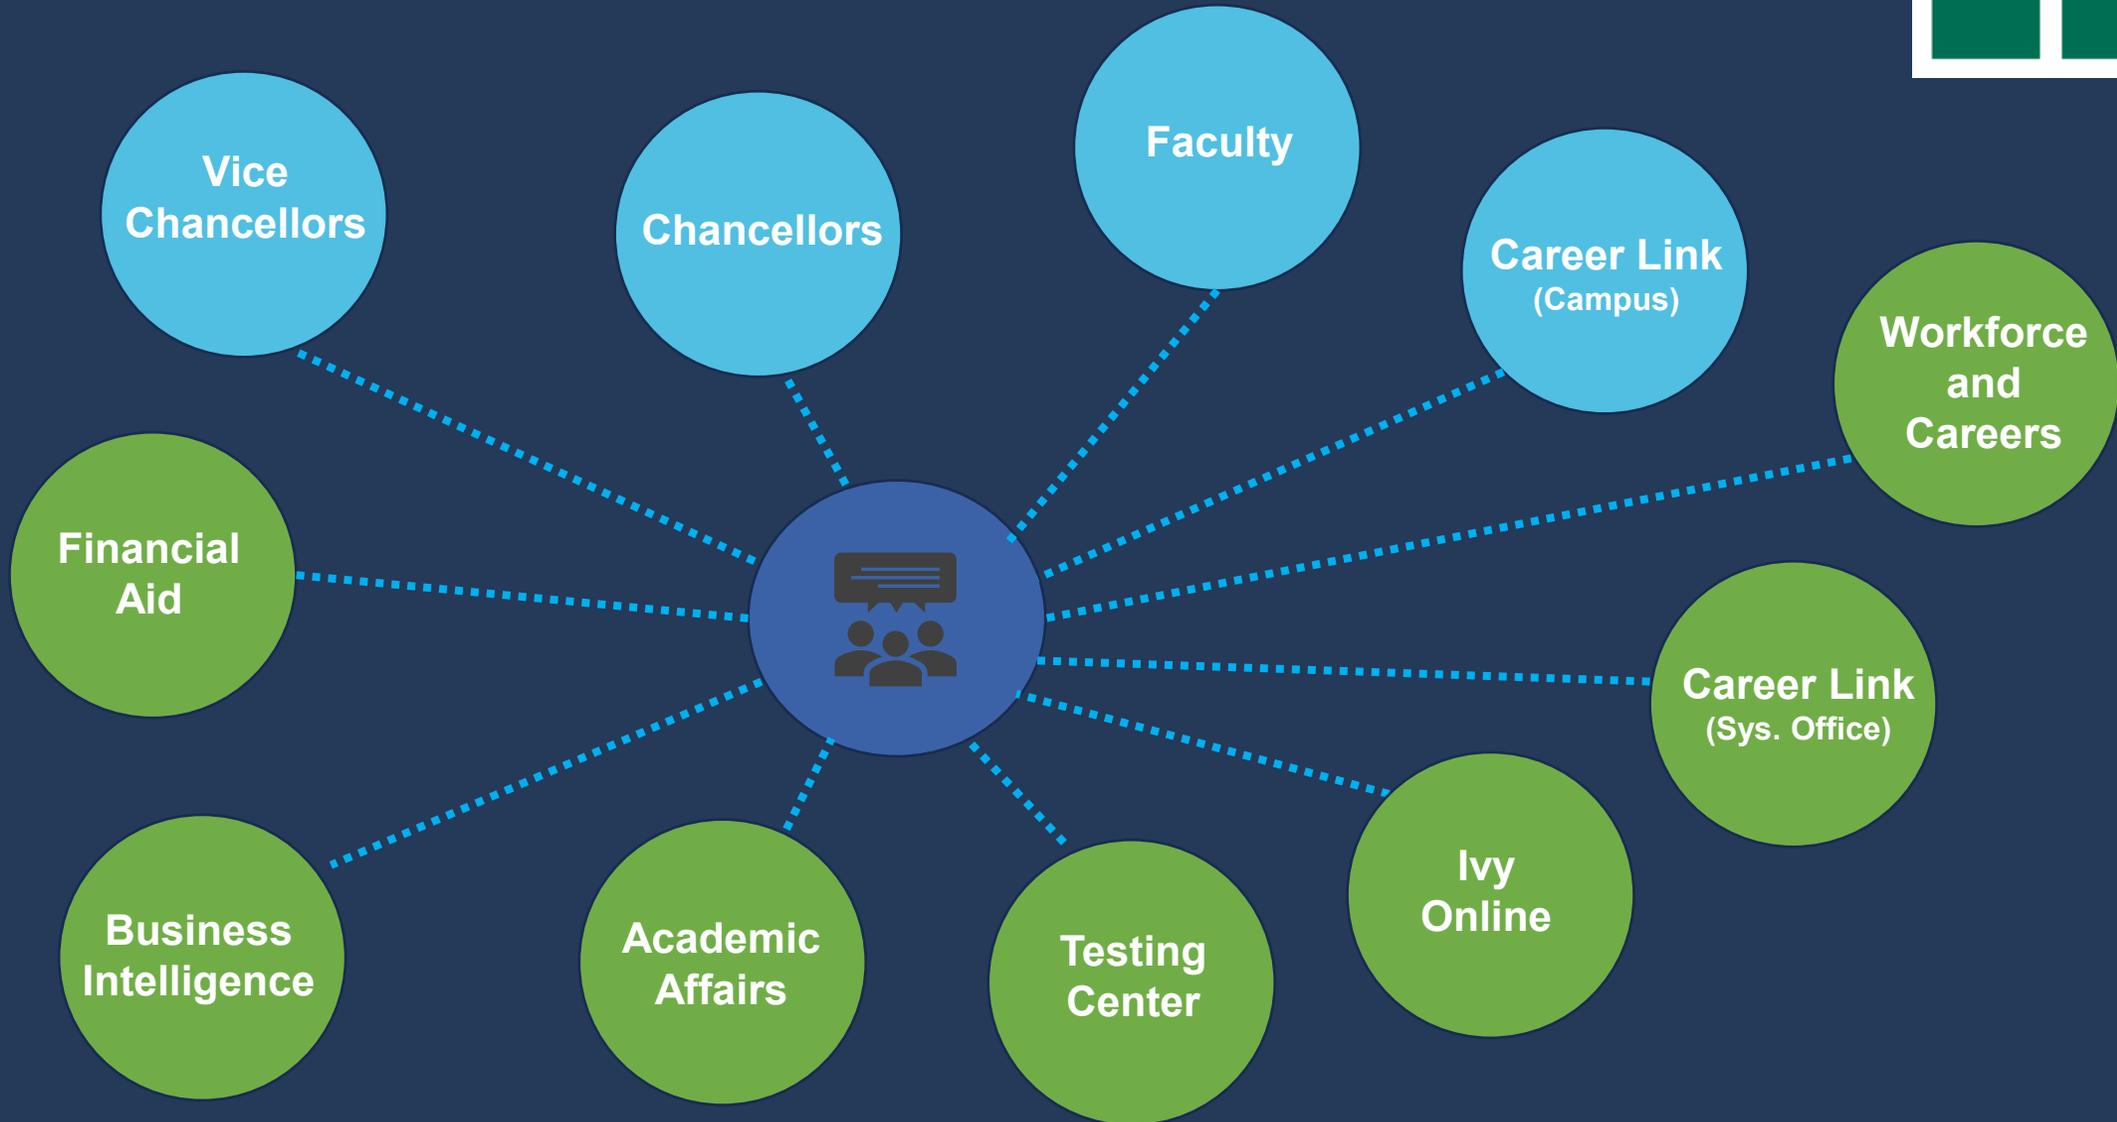

Employers: The top priority is **closing skills gaps** by providing targeted training to ensure employees have the specific skills needed for evolving industry demands.

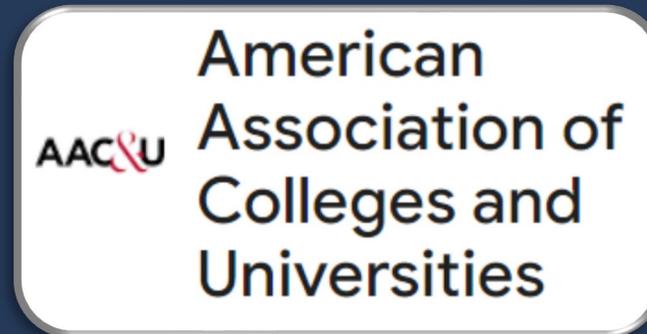

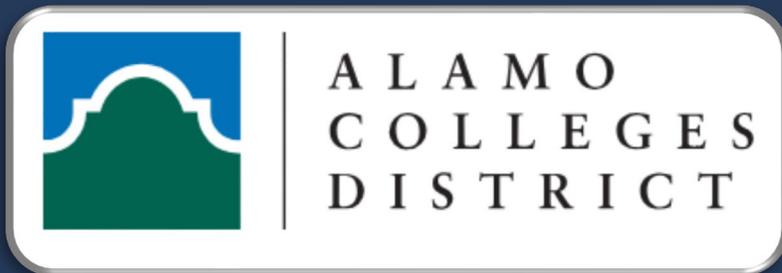

Individuals: The top priority is **career advancement** by acquiring new, relevant skills that can lead to promotions, salary increases, or job opportunities.

Ivy Tech: The top priority is **aligning with industry needs** by offering Microcredentials that meet local workforce demands, ensuring graduates are job-ready with relevant skills.

Microcredential Ivy Tech Statewide Approved Definition

A Microcredential is a competency-based outcome validated through demonstrated mastery of a prescribed set of learning objectives.

Microcredentials are aligned with employer and industry needs and are developed and validated by both industry partners and internal subject matter experts, ensuring their relevance and alignment with high demand jobs and helping students develop targeted skills.

Microcredentials can be standalone, embedded, or part of more extensive postsecondary credentials.

Applicant Conversion Strategy

Market Segmentation Student Type:

- Conversion-not a one size fits all approach.
- Case management approach.
 - **NFT Traditional Ages 19-24:**
 - Partnership with Marketing on a direct, digital campaign.
 - Male Applicants
 - **Hispanic and Latino Applicants:**
 - 8% Latino/Hispanic population in Indiana.
 - Diversity, Equity, and Belonging + Marketing on an outreach campaign.
 - Factors:
 - Conversion of applicants tied to assistance with economic and social resources.
 - Intentional outreach to Hispanic and Latino communities.

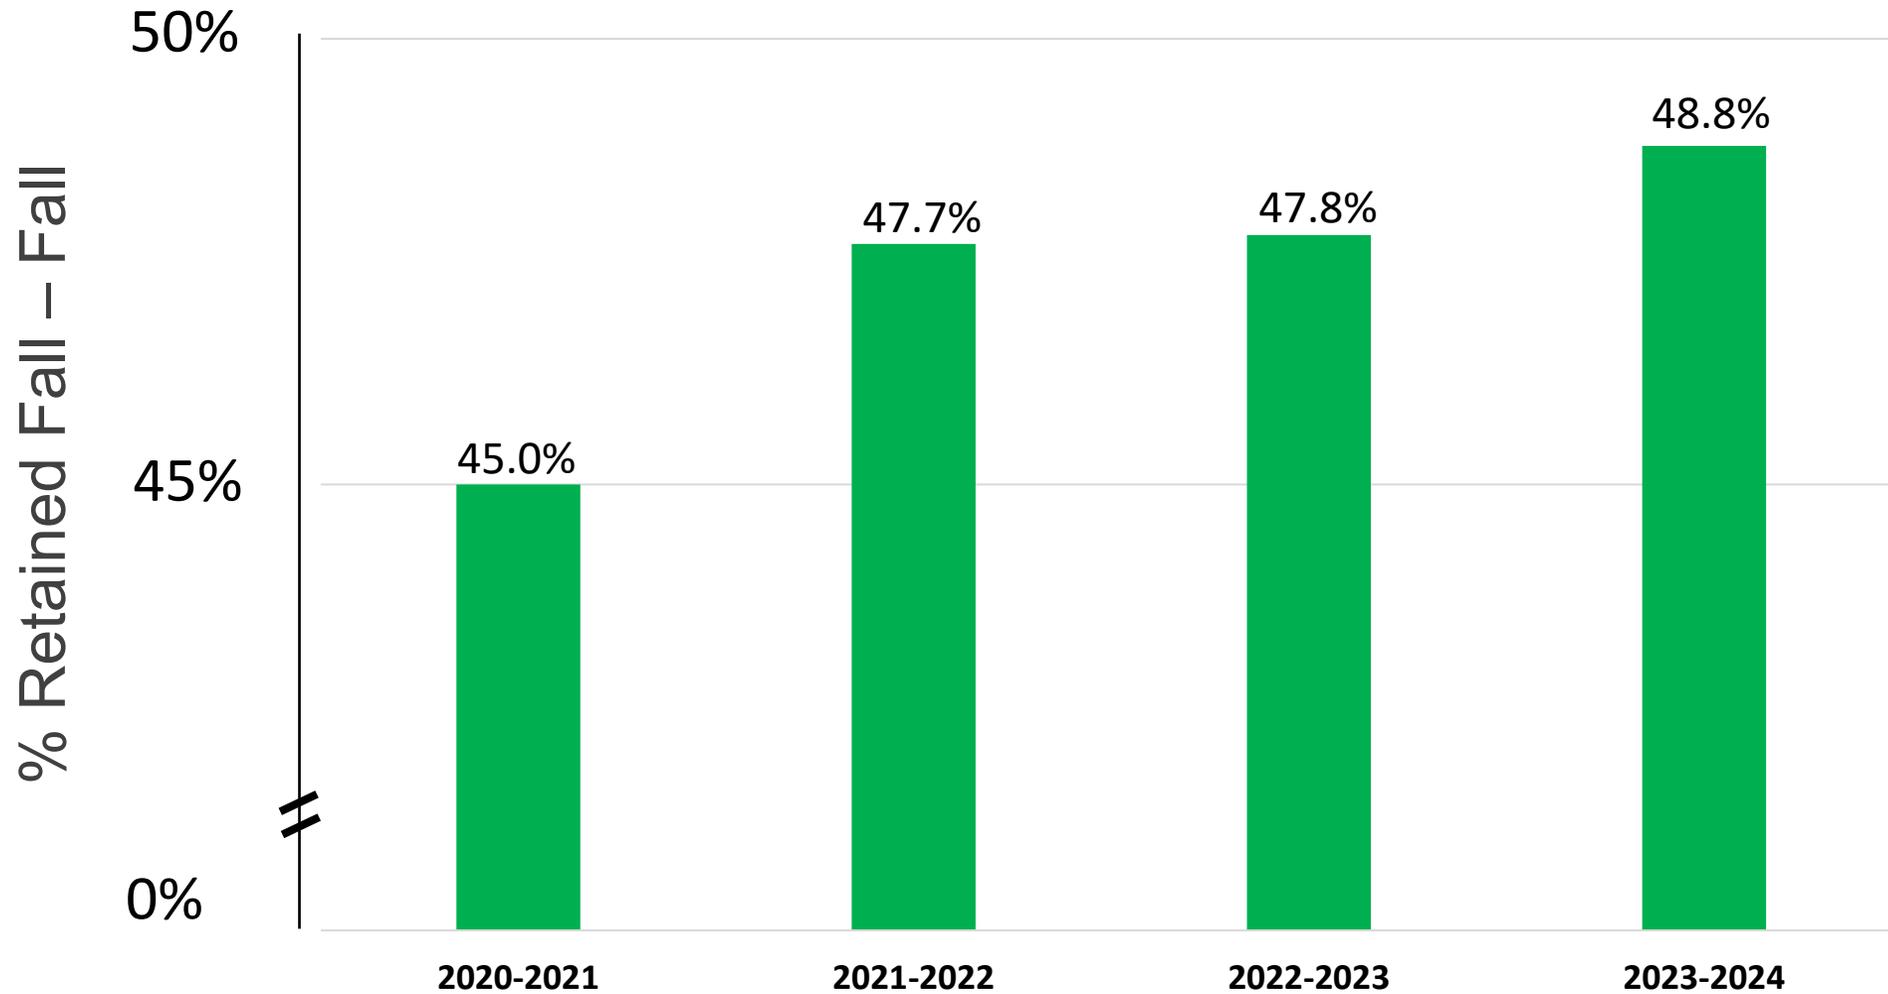

A healthcare professional, likely a nurse or doctor, is smiling warmly in a hospital room. She is wearing dark scrubs and has a stethoscope around her neck. In the background, there are medical monitors and light-colored curtains. The overall atmosphere is professional and caring.

Social Media Analysis: Overview

The analysis reviewed the non-paid advertising posts on the Systems Office and campus social media channels.

The goal was to understand:

- what kinds of content is being posted
- how often are we posting
- how effective the content is at engaging our intended audiences, and
- the overall impression individuals get from our social media presence.

Channel	Posts Analyzed	Average # of Years Covered Across Campuses
Instagram	6,351	3.75
Facebook	9,897	2.2
LinkedIn	387	0.75
YouTube	1,211	4.9
Total	17,846	2.9

Social Media Analysis: Key Findings

Engagement and Activity

Most Active Platform

Facebook leads in activity across campuses, serving as our primary engagement hub.

Highest Engagement

Video content, especially YouTube Shorts and Instagram Reels, drives peak user interaction.

Posting Frequency

Our posting schedule falls short of higher education averages.

Social Media Analysis: Key Findings

Social Media Analysis: Key Findings

Audience Insights and Motivators

1

Primary Audience

Current students are the primary focus, while prospective students are less frequently engaged.

2

Career Opportunities

Students are highly motivated by potential job prospects post-graduation.

3

Future Security

Content addressing long-term stability resonates strongly with our audience.

4

Education ROI

Students seek assurance that their educational investment will yield valuable returns.

Social Media Analysis: Next Steps

1

Perfect the Basics

- Focus on quality over quantity in posts.

2

Focus on Target Audiences

- Expand content to engage external stakeholders like prospective students and community partners.
- Tailor content to specific social media channels (video for Instagram/YouTube, career posts for LinkedIn).

3

Statewide Coordination

- Implementing a coordinated content calendar across campuses to increase consistency and leverage shared content creation.

4

Measure ROI

- Utilize advanced analytics to track engagement, measure conversion rates, and refine strategies based on what works.

Use Your Personal URL
Each Social Ambassador receives their own unique URL, which tracks your engagement on social media. The more you share this URL, the more you move up the leaderboard for a chance to win awesome prizes.

Create Your Content
Get as creative as you want and share why it's important to support students on Ivy Tech Day! Be sure you use #Give2Ivy and #Give2Ivy in your posts.

Promotional Launch Date
February 20 is the official promotional launch date. After this date, it's go time! Share content from Ivy Tech's main channels and create content of your own!

It's Go Time! (February 20 - April 22)

Create A Buzz
Build excitement about Ivy Tech by sharing some of your favorite memories, why you give, and why others should give you!

Get Competitive
Are you and your friends in close competition on the Social Ambassador Leaderboard? Continue to share your unique link and engage in a friendly competition as you surpass your friends moving up the Leaderboard.

Social Media Makeover (April 1-3)
Get your social media platforms ready to share on Ivy Tech Day!

Tell Everyone You Know!
Send emails and text messages, share on all your social media platforms, call your friends, tell people in person, share Ivy Tech memories - the most impactful day of the year is almost here!

It's #IvyTechDay! (April 23)

Share, Share, Share
Use your unique giving link and #Give2Ivy and #Grow2Ivy. Help Ivy Tech reach our goal of 1,963 gifts!

Get Nostalgic
Post old photos with your friends during your time at Ivy Tech and tag them in the post.

Share Memories
Throughout the day, post photos and your favorite memories to get others excited about #IvyTechDay!

Give A Gift
Visit ivytechday.edu/giveday and support a campus that is near and dear to your heart. Then, share that you made a gift on social media, using the "I gave" graphic.

Participate Or Create A Challenge
There are a variety of challenges issued on Ivy Tech Day and the option to create your very own! Help unlock challenges all day.

Celebrate! (April 24)

Show Your Ivy Tech Pride
It's because of you that #IvyTechDay was successful. Continue to share on social media how proud you are to #Give2Ivy and help #Grow2Ivy.

Send Gratitude
Say thank you - Let all your friends know how much you appreciate their support.

Our Values in Action

EMPATHY

We stand with our students, partners, and communities.

INTEGRITY

We treat all with dignity and respect.

ACCOUNTABILITY

We deliver on our commitments.

AGILITY

We innovate, iterate, and transform.

CONNECTIVITY

We connect with partners to strength communities and ensure student success for all.

Special Edition Town Hall

Which of these values do you feel are most important to the College achieving our mission?

Values in Action: Accountability & Empathy

Dustin Brenton

2003 Ivy Tech Graduate

Current Ivy Tech Adjunct Faculty

“As a student, my professors held us accountable for the work that we did but they were also accountable for making sure we learned what we needed to know.”

“As an instructor, I need to focus on each individual student. Having empathy for the students who come to Ivy Tech is essential.”

Serving All with Integrity, Respect, and Value

“The goal is to help people obtain educational skills, because that’s one less hurdle and one big checkbox completed for them when they’re released.

If we can get them a good job with a life of purpose surrounded by new people and places through their education and the skills they’ve received, their chances of being reincarcerated are much lower.”

Amber Finnegan, Madison Campus
Education Director
